

Certificate of Completion

This certifies that the merchant has completed the PCI Self-Assessment Questionnaire (SAQ) in the Aperia Compliance platform and has attested to PCI DSS compliance.

Merchant Name: **Bloom Growth**

SAQ Level: **SAQ A**

Validation Number: **NTS177664180826**

Validation Date: **7th Day of August, 2026**

* Expiration Date: **7th Day of August, 2027**

ASV Compliance Status: **Compliant**

* ASV Compliance Date: **5th Day of August, 2026**

Approved Scanning Vendor: **Aperia Solutions, INC.**

* All merchants are required to validate their PCI compliance yearly. The overall PCI status may be affected by changes in the merchant's card processing environment and/or failure to provide a passing scan as outlined in requirement 11.3 of the PCI Security Standard should one be required. This certificate reflects only completion of the merchant's self-assessment and may not be used to demonstrate PCI compliance.
